Domain Insights Training

Online training,

20, 22 and 24 May 2024

Organizer:

Alba Valls, Maria Abada (Amphos 21)

Course information

Project acronym PREDIS	Project title PRE-DISposal management of radioactive waste	
Course title Domain Insight Training		
Host / Organizer Amphos 21	Location Online	Date 20 th , 22 nd and 24 th of May

Training objectives

Training aims to share knowledge gained through each domain insight (DI) with project partners, EUGs, Students and whomever might be interested in the work of the PREDIS project. Within the PREDIS project there are 12 Dis that are written documents containing contextual information about how activities and knowledge associated with a domain contribute towards achieving generic safety and implementation goals. In the Dis experts' views and long-term safety impact or practical implementation are also considered. For more information see: <https://www.ejp-eurad.eu/publications/eurad-roadmap>

Registration

This is an open event, and it is free of charge. Please register to the event by 10th of May via the following link: https://www.lyyti.in/Domain_Insights_Training_May2024.
